

CAROLINE: THE NEW FBC STAGIAIRE

Studying for a French degree (BA equivalent) in commercial and business administration, Caroline Charnay has been recently appointed as a French Business Council stagiaire. She will work on various projects until August 2002. As Caroline says: "it is extremely enriching to discover a culturally rich region such as the North East of England and to help develop its international links. It is amazing to see the number of links already existing between France and England".
