

A French Festival in the North East

The FBC is coordinating the first ever region-wide French Festival in the North East to celebrate the 'Entente Cordiale' treaty signed by France and the United Kingdom in 1904, which began one hundred years of Anglo-French cooperation. The Festival will run from early April to the end of October 2004 and will include French-themed events organised by regional partner organisations throughout the North East. Some of the organisations taking part in the Festival include Northern Sinfonia, Darlington Arts Centre, Théâtre Sans Frontières, Bowes Museum, Tyneside Cinema, etc.

For more information on individual events, please consult the Festival brochure or the FBC website on www.frenchbusinesscouncil.co.uk for latest updates. To obtain a copy of the Festival brochure, please contact the FBC on 0191 233-6315.
